

Call for Workshop and Tutorial Proposals

Proposal Deadline: February 1st, 2011

Notification of Acceptance: March 1st, 2011

The Workshop and Tutorial Chairs invite proposals for workshops and tutorials to be held in conjunction with the main MICCAI 2011 conference.

MICCAI 2011, the 14th International Conference on Medical Image Computing and Computer Assisted Intervention, will be held from 18-22 September 2011 in Toronto, Canada.

Workshops and tutorials of half-day or full-day duration will be held on either Sunday 18 September or Thursday 22 September at the MICCAI 2011 venue, the Westin Harbour Castle.

The purpose of workshops is to provide a comprehensive forum on topics that will not be fully explored during the main conference, encouraging the discussion of technical and application issues in depth.

The purpose of tutorials is to provide educational material for training professionals in the field including students, clinicians and new researchers.

Proposers must supply justification for the relevance and viability of intended workshops/tutorials to allow competitive selection. MICCAI 2011 organizers will collect workshops/tutorial registrations and fees, provide facilities, arrange catering, and distribute electronic copies of the workshop proceedings.

Guidelines on how to submit a workshop/tutorial proposal are available at www.miccai2011.org.

Specialized topics to be addressed in MICCAI workshops/tutorials may be sub-topics of the main conference topics, or may be computational or clinical aspects which cross-over several of the major conference topics.

- General medical image computing
- Computer assisted interventional systems and robotics
- Visualisation and interaction
- General biological and neuroscience image computing
- Computational anatomy (statistics on anatomy)
- Computational physiology (virtual organs)
- Innovative clinical and biological applications

Detailed information on the major conference topics is available from www.miccai2011.org

Proposals and any related questions should be sent to workshops@miccai2011.org for workshops, or to tutorials@miccai2011.org for tutorials.
